City Plans To Welcome Dignitaries

**Elaborate Ceremonies To Fea-
ture Dedication Of Great
Monastery Here**

Voicing the welcome of the city of Sierra Madre, Mayor H. Clay Reavis, member of the City Council and representatives of every civic organization, will greet church dignitaries and other principals coming to the Wistaria City May 1 for dedication of the Passionist Fathers' new Mother Delorosa Monastery on Mt. Olivet.

The city's greetings will be extended at the City Hall, where Bishop John J. Cantwell, who will officiate at the dedication, and other diocesan laymen, will be received. Following a brief address of welcome by Mayor Reavis, Bishop Cantwell and party will be escorted to the monastery by a delegation consisting of Judges Frank Desmond and Clement D. Nye; P. H. O'Neill, K.S.G., and Major J. H. Dockweiler, president of the Holy Name Union.

Members of the Volunteer Fire department will be in charge of parking of visitors' cars.

In preparation for the large crowd expected to attend the dedication the work of repairing and repaving of the road leading to the monastery site was begun on Monday. Under the direction of Harvey Steinberger the thoroughfare will be fixed for more than 1000 feet, having a width of approximately 24 feet, the work to be done by city workmen and to be paid for by the Passionist Order as a help to the local unemployment relief plan.

The city will decorate the line of march which will be followed by Bishop Cantwell's party. Street decorations which were put up for the Wistaria Fete will be rearranged, with the decorations extending from Orange Grove and Sierra Madre avenues, along Central avenue to Lima, and north on Lima to the Monastery.

Players To Compete In Tournament

**Sierra Madrans Will Try
For Prize With One-Act
Production At Santa Ana**

Hoping to acquire a Little Theatre dramatics prize for Sierra Madre, a group from the Community Players next Thursday will go to Santa Ana to participate in the Tenth Annual Tournament of One Act Plays.

The group will present a one act skit of North Carolina milltown life called "Job's Kinfolks," by Loretta Dalley, which calls for a cast of five.

In 1929 a group of Sierra Madre Community players took second prize in the tournament. Competitors consist of players from every Little Theatre group in Southern California, and including dramatic organizations from various Southland universities.

Mrs. J. Milton Steinberger, director of the skit, who also directed the prize winning skit of 1929, made a request today that local drama lovers turn out and support the group at the Santa Ana tournament. Previous to the play presentations a banquet will be given, for which reservations may be made by calling Mrs. Charles W. Collins at 172-1.

A preview of the one-act skit will be given to members of the Woman's Club on Wednesday. The cast includes: Kiggie, grandmother, Mrs. J. C. Dickson; Kate mother, Alma E. Morgan; Katherine, daughter, Mary Young; Estelle, a neighbor, Florence Ekman; Carl, a millhand, Francis Ekman.

Properties by Mrs. Homer W. Glidden; set by William Corlett. Directed by Mrs. Pearl Virginia Steinberger. Organist, Harriet Buckingham.

COOKING DINNER ON A RANGE THAT COSTS \$2,180—IMAGINE IT!

Fancy getting dinner on a gas range costing \$2,180. What housewife's imagination wouldn't run riot?

But there is such a modern kitchen contrivance—custom built and the very latest word in modern cookery. It and all its brothers—or sisters—and other relatives including those of the average household and kitchenette apartment will be shown in an exposition of modern ranges arranged by the Southern Counties Gas Co., at its Monrovia district headquarters, 114 East Lemon avenue, Monrovia, from next Monday, April 25, until Saturday, April 30. Everyone is cordially invited and courteous experts will explain the cooking possibilities of the new kitchen creations.

Observations

—By LEE SHIPPEY—

DON'T like to accuse Los Angeles of copying us, but here are the facts. Last year our famous "Little Gallery" was embellished and entitled "The Crepe Hanger." And now comes the Los Angeles Museum and gets attention because of a picture which well might be "The Crepe Hanger's" sister. It represents Angelus Temple with a number of symbolic figures floating above it, and a few clouds, on one of which is a dollar mark. This work of art was awarded first prize in a competition in Los Angeles and was hung in the Museum—but it was vanished from its place, vanished as completely as did "The Crepe Hanger."

It seems clear to us the Los Angeles gallery is just trying to get as famous as ours.

I hear the county school teachers are going to have to take a cut and some may lose their jobs. I know of some supervisors we could spare, but not any school teachers. We have a wonderful school here for a town our size—something to be proud of, and it would be too bad to lower its efficiency at all. With politics so full of employees drawing more pay—with some on the county payroll who are drawing pensions from Los Angeles as retired men, they talk of laying off school teachers! With the cost of government so much higher than it used to be that we are almost staggered when we compare present expenses with those of 20 years ago, they want to economize by laying off school teachers! That's like a man who spends \$25 a week for bootleg economizing by shining his own shoes.

Fast Moving Chess Plays At Tourney

**Schedule New Features Of
Game When City Is Host
To Fans Of State**

On June 18 Sierra Madre, through the good offices of the Chamber of Commerce and the Sierra Madre Chess Club, will play hosts to all the chess players of the state at a chess exhibition at the Masonic Hall.

Various phases of the "weighty" game of playing chess will be shown during the day in matches between hosts and visitors. Tournaments will be held, in which the Pacific Coast champion will play several score opponents at the same time. A "Rapid Transit" contest will be held, in which players are allowed only 15 seconds in which to move. June 18 is selected as a playing date as being the nearest available date to the birthday of Paul Morphy, authority and writer on chess.

In a chess match opening the summer season at the City Park Hotel last Saturday, the Pasadena Chess Club defeated the Alhambra Chess club 5 to 3 in an eight board match.

Another Series Of Sunday Recitals At The Ascension

The delightful Sunday afternoon organ recitals of Dean A. G. H. Bode and their incidental community gatherings over the tea cups that follow, are coming again. Announcement was made yesterday by St. Catherine's Guild of the Church of the Ascension, that a second series of the concerts that were a joy to the townspeople and that brought many music lovers from other cities, will be inaugurated at the church on the afternoon of Sunday, May 8, at 5 o'clock.

In addition to the Dean's organ numbers, vocal and other solos will be given by distinguished artists. The silver offerings will be devoted to the Church and charitable work of St. Catherine's Guild, and everyone present will be invited as before to a social hour over the tea cups in the Parish House.

Many Delegates To Come Here For Big Bible Conference

The Eighth Annual Bible Conference of Bethany Church, drawing representatives from many churches throughout the Southland, will be held on Wednesday and Thursday, May 4 and 5. The theme for the conference will be "The Spirit-Filled Life." Sessions will begin at 10 a.m.; 1:30 p.m.; 2:30 p.m. and 7:45 p.m. daily. Luncheon will be served at noon. Prominent speakers to be presented on the program are Mrs. John Lowe, Mrs. Louis F. Turnbull, Mrs. A. L. Dennis, Mrs. J. E. Jaderquist, Miss Henrietta Mears, Miss Charlotte Porter, Dr. Louis T. Talbot and Rev. William P. Nicholson.

MAN OF MANY INTERESTS AND ACTIVITIES RELAXES IN THE QUIET OF SIERRA MADRE

KNOW YOUR NEIGHBOR

—Judge E. W. Camp—

By Bill Burke
Still hale—still hearty—still active despite his 72 years—Edgar W. Camp looks into a future pleasantly filled with "just enough" activity to keep him occupied. He is retired but not withdrawn. Vocational affairs have become avocational and are now fought to an end for the pleasure of the fight and not for any possible material reward.

Mr. Camp's career has been filled with positions of outstanding importance. Among other things he has been county attorney under a territorial government; Federal district attorney for the district of North Dakota; member of a territorial constitutional convention; a city trustee, State Assemblyman and counsel

City's Duty To Scouts Is Emphasized

**Follow Up Of Drive As Im-
portant As Raising Of
Fund, Treasurer Says**

Sierra Madre's drive to raise \$400 with which to finance Boy Scout activities here during 1932-33, and to maintain the two local troops as part of the Pasadena-San Gabriel Valley Council, appeared assured today. With organizations still to report, and several good prospects yet to be contacted, \$350 has already been raised, according to a report from Rev. A. O. Pritchard, chairman of the citizens' finance committee in charge of the campaign.

People are still appearing at the bank to redeem pledges they made to canvassers, Mr. Pritchard stated. In addition the group donation of the Volunteer Fire Department has still to be made, and will be decided following a meeting of the organization tonight, he continued.

A second sum, expected to be of generous size, will be raised when the Woman's Auxiliary of the American Legion hold a food sale tomorrow at Solury's Grocery store.

"I am more anxious now," Rev. Mr. Pritchard said, "about the follow-up than I am about the drive. We will still over the top without any trouble."

"What we need, however, is a group of men who will enter wholeheartedly in furthering Scout activities here—men who are willing to devote one night of every week to the boys, giving them advice, entering into their activities, and giving them an example of manhood which they can follow. We have two very devoted scoutmasters—but they can't do it all alone."

Arbitrators Will Pass On Disputes Of The Unemployed

Members of the local unemployment relief committee met Monday afternoon for discussion of problems which will be faced here during the coming year. Plans so far made are in a tentative stage, W. R. Humphries, chairman, said, and cannot be disclosed. A sub-committee was appointed however, to sit as a board of arbitration on disputes and protests arising from disagreements between the relief committee and those placed or wanting places by or from the committee.

The sub-committee will consist of Rev. Father Hyacinth Clarey, of St. Rita's; A. G. H. Bode, of the Church of the Ascension; Rev. A. O. Pritchard, of the Congregational Church, and a representative chosen by them from the unemployed lists.

Thirty dollars, raised by a card party held by St. Rita's Altar Society Monday night, has been donated to the relief committee, Mr. Humphries said.

Women Schedule First Meeting Of National Campaign

The first political meeting of the 1932 Presidential campaign in Sierra Madre will be held under the auspices of the Garner-for-President force Thursday night, April 28, at 8:15 o'clock in the Council chamber at the City Hall. Mrs. Fletcher H. White, president of the Sierra Madre Woman's Democratic Club, will preside and introduce the speakers, among whom will be Mrs. Phillip Dodson, who is on the Garner ticket; Mrs. Esther Lea, who has charge of the woman's division of the Garner campaign in Southern California; City Solicitor Phil Dodson, Pierson Hall, from the Garner campaign headquarters; and Cricket Calkin, who will tell why in her opinion Mr. Garner appeals to the young people.

A meeting of the Woman's Democratic Club will be held in the Park House next Tuesday afternoon at 2:30 o'clock to complete arrangements for the meeting.

for a great railroad. In addition, he served as a member of the Constitutional convention commission appointed to recommend for or against revision of the California constitution, and also is active through his membership on an important committee of the American Bar Association, in the fight against use of unlawful methods in law enforcement.

He was born in Sheboygan, Wisconsin, in 1860, or parents of New England stock—Connecticut stock. Following grade schooling in Sheboygan and attendance at the Waukesha high school, he was graduated from Beloit College. He completed his study of law in Milwaukee.

Wild And Wooley Dakota
In 1883, he moved to Dakota territory, where he became county attorney of Foster County. Despite general belief in the wildness of early territorial life, "things were not very wild," he claims.

"We handled cases dealing with illegal trades among the Indians of the territory—mostly liquor cases. Sometimes there was a murder—frequently it was a smuggling case, or an outbreak of counterfeiting."

Later Mr. Camp was a member of the Constitutional Convention for North Dakota. Then a chairman of a committee which dealt with a problem without precedent—that of dividing the total assets and liabilities of the Territory of Dakota. He was chairman of the committee representing North Dakota and also edited the first volume of the "Reports of North Dakota."

While in North Dakota he was involved in two outstanding legal controversies: the fight in 1890 against establishment of a State lottery, and the railroad strike of 1893.

The former he calls "the most interesting fight of my career."

Beat The Lottery

"At that time," he said, "the Louisiana lottery franchise was expiring, and the backers had to find a new location. They thought to make it popular in the eyes of the North Dakota legislature by causing of the tremendous 'cut' the State would receive. The legislature, however, after a long and bitter battle, refused to sanction the lottery. The intense contest called so much attention to the matter of lotteries that Congress passed laws barring lottery matter from the mails, and eventually prohibited even shipments by express. That fight ended the 'big lotteries.'"

Mr. Camp and his family came to Sierra Madre in 1896. He was a director of the Mutual Water Company, taken over by the city. He served two separate terms on the city board of trustees, one of which also included John C. Pegler and C. W. Jones. He also was a member of the school board.

In 1903 he was a member of the State Assembly. In the same year he purchased 15 acres lying on the north side of Grand View avenue. In 1904 he became attorney for the Santa Fe Railway Company, serving until 1928. In that year he built a home on the land he had purchased. In 1922 the property was traded for a home in Los Angeles, but Sierra Madre's attractions called the family back in 1929. Now they live at 615 West Montecito avenue.

Governor C. C. Young in 1930 appointed Mr. Camp a member of the Commission to pass upon the necessity for a revision of the State constitution. He also edited an Encyclopedia of Evidence in 14 volumes and some volumes of Encyclopedia of Procedure.

Still Going Strong

Mr. Camp, for 20 years a prominent member of the American Bar Association, has been chairman of that organization's committee on "Lawless Enforcement of the Law" which includes such abuses as third degree methods of police officers.

"I have aroused considerable interest in the matter," he said, "and was greatly helped by the Wickersham Commission Crime reports, which quoted from the Bar Association reports in great length."

Mr. Camp is still active. He is a member of the State Board of Bar Examiners—is special counsel for the Coast Lines of the Santa Fe Railway, he is active in affairs of the Municipal League of Los Angeles, the City Club of Los Angeles, and the Sunset Club.

He is married to Theodosia Baird Camp, and father of two children, Charles L. Camp, and Mrs. Dorothy B. Nourse, both of Berkeley. Charles Camp, director of the Museum of Paleontology at the University of California, Berkeley, has a nation-wide reputation among scientists.

Like the majority of well-known men, Mr. Camp bears an affectionate nickname—the title of "Judge."

"That," he says, "is like the custom in Kentucky where everybody is Colonel. It doesn't mean a thing."

Latest Newcomers
Welcomed To City
The following newcomers have been welcomed to Sierra Madre during the past week: Chester Bemis, 409 Ramona avenue; Mrs. R. M. Wilson, 698 Sunnyside Lane; E. A. Salter, 393 North Baldwin avenue, and Dan Evans, 33 Vista Circle Drive.

Legion Team Opens Season Here Tonight

**Good Game Expected When
Local Contenders Line
Up Against Arcadia**

Sierra Madre's American Legion "nite" baseball nine opens the 1932 season tonight against a fast playing Legion team from Arcadia. The game will be played on the public school diamond.

Standing a good chance of winning the championship of the 18th American Legion District, the local team is in fine playing shape, having been practicing twice weekly for more than a month. Every position is held by an experienced and capable player, and others are still unplaced.

The year's team, because of the added playing experience, is even better than that of last year, according to Waverly E. Pratt, pitcher and manager. Last year, during the first half of the season, it swamped every one it met and lost only when Pasadena drafted past members who previously had had regular ball experience. The Crown City nine won both games when they met Sierra Madre in the finals of the league season.

Reports from other cities comprising the 18th district are encouraging to local players, for no material improvement in the other nines has been noticed. Pasadena is declared to have a less formidable outfit than it sent forth last year.

The Sierra Madre Merchants and the Ice men met last night in a practice game. The contest originally was scheduled for Tuesday night, but was postponed because of the absence of Joby Kiggins, star pitcher for the Merchants, who is also hurler for the Mission Orange Nine in Los Angeles. The latter team was playing in Echo Park Tuesday night.

The Legion's lineup for tonight's game, as tentatively drawn up, is: Gordon Langworthy, catcher; W. Pratt, pitcher; Roy Pickett, 1b; Frank Burroughs, 2b; Clay Reavis, 3b; Minor Hankness, ss; Clarence Welch, rf; Henry Olsen, cf; Charley Taylor, lf; Utilities, Art Evans, catcher and lf; O'Grady, 2b; Cy Young cf, and Collin Hill, rf.

Show Pupils Work; Hear Their Band At School Observance

Dr. Leslie E. Learned, pastor of All-Saints Episcopal Church, Pasadena, will be the chief speaker next Wednesday night at the ceremony at the Sierra Madre School Auditorium in observance of "Public Schools Week."

Dr. Learned, who is widely known throughout Southern California as a public speaker, was secured through the efforts of Rudolph Hartman, president of the School Board.

Other parts of the program, which will begin at 8 p.m., will include music by the public school orchestra and offerings by the school chorus, which appeared last at the Washington Bicentennial celebration.

An exhibition of work done by pupils of the school will also be held, and an invitation is extended by school authorities and members of the school board to parents and others to visit the educational plant.

PTA Elects New Set Of Officers To Be Inducted In July

Mrs. Elmer Pulling was elected president of the Sierra Madre Parent-Teacher's Association at its meeting on Wednesday. Other newly elected officers, who will be inducted into office in July, are: Mrs. E. R. Thompson, first vice-president; Mrs. Joseph Evans, second vice-president; Mrs. D. Vanderpool, secretary; L. E. Sullivan, treasurer; Mrs. H. Clay Reavis, auditor, and Mrs. W. C. Dalzell, parliamentarian.

Following the election Mrs. Henry Ivins Hawhurst gave an interesting talk on the problems and habits of the small child. Her experiences with the child problem in the home was most helpful to many mothers.

Selwyn Myers Wins Prize In Drama At The Junior College

Selwyn Myers, son of Mr. and Mrs. Al S. Myers, of 188 East Central, was one of three winners of the Ruth Doolittle contest at the Pasadena Junior College. The contest consists of individual rendering of dramatic parts, and rewards are made on perfection and naturalness of the performers. Selwyn's prize, a volume of Shakespeare's works, was won by his handling of selections from "Richard III." Other winners were Carol Hill and Bambi Williamson.

Selwyn Myers is a member of The Players here and has been drawn for a number of their productions in which his work has attracted much favorable comment.

Reflections

—By E. W. CAMP—

Donald Hillis at the Open Forum on Wednesday answered the question "Whither are we drifting?" He says—and he has many facts to back him up—that we are drifting southwest at the rate of about a mile in a century. That seems rather slow speed, but it counts up to ten thousand miles in a million years and what is a mere million years to a planet that is already two billion years "young?" And this drift toward the equator is due to the fact that mother earth's waist measure is increasing all the time.

Once, not so long ago—say sixty million years—America, Europe, Asia, Africa, Australia, were all one body of land surrounded by one ocean. Slowly North and South America pulled away from Europe and Africa; Australia seems to have been left behind and to have moved northward to the Equator. Meantime America has had its ups and downs as well. Lands that are now some thousands of feet above sea level have been covered by the ocean, not once but repeatedly.

We read in the Psalms, "A thousand years in thy sight are but as yesterday when it is past." If David had known geology he might have seen a "million" instead of "a thousand" but more likely he would not have written the Psalm at all, for the contemplation of ruthless, purposeless force making and unmaking and remaking worlds, seems not conducive to poetizing, although Alfred Boyes has attempted it.

Mr. Hillis, on the other hand, is not a poet, but a scientist, who has spent years in assembling data for a most ingenious explanation of certain puzzling facts. His exposition of the theory was aided by numerous tables, charts and diagrams shown on the screen.

Dr. Roman wound up a successful season of the Forum with brief comment on current events, expressing disappointment with the programs put forward by candidates for the Presidency and suggesting a program to include a fifty percent reduction of tariff; stabilization of the dollar; to put it another way, stabilization of the general price level, guarantee of bank deposits which might have to involve some form of government banking—cooperation with the League of Nations, substantially as President Hoover is now cooperating, and finally further steps toward disarmament. Dr. Roman will take a trip around the world and be back in November.

Pratt And Pegler Begin Their Terms

**Announcement Of All Ap-
pointments Delayed Until
Next Council Meeting**

Waverly E. Pratt, the only new member of Sierra Madre's official family as a result of the municipal election of April 11, assumed his duties on Tuesday morning and the city government picked up and went right ahead—as a city always does after an election.

The City Council went through the charter requirement of canvassing the vote cast at the election at a special meeting on Monday evening and Mr. Pratt immediately took the oath of office. In a conference between the new official and the Council that followed, it was agreed that no appointments would be announced either by the Council or by the new clerk until a regular Council meeting to be held next Wednesday.

Mr. Pratt announced that he intended to ask his predecessor, Elmer A. Green, to remain in the office with him until that time so that he might more easily familiarize himself with his new duties. When the request was made of Mr. Green on Tuesday morning he cheerfully agreed. Their attitude towards one another since that time has struck those having business at the City Hall as of old time friends, which has been pleasing to the followers of both men.

Following a habit he has acquired after municipal elections wherein a City Treasurer was to be chosen, Carlton J. Pegler took the oath of office on Tuesday morning and began his 19th year of service in the office.

Mr. Pegler had announced that he would appoint Mr. Pratt his deputy, but the official appointment, to be confirmed by the Council, will not be made until Wednesday, when it is expected the Council will also appoint Mr. Pratt auditor of the water department. Subject to approval of the Council the City Clerk has the naming of an assistant and a deputy auditor, positions now held by Daniel F. Lewis and it is the general impression that Mr. Lewis will be asked to remain.

Offer A New Plan To Help Unemployed

**Chamber of Commerce
Adopts Novel Scheme
For City's Betterment**

Aimed at the solution of five major problems attendant on the present depression, a new and novel plan, basically "unemployment relief," today was in the preliminary stages of development by the Chamber of Commerce.

The plan originally was proposed as a practical method by which the chamber, as an official civic organization, could say "welcome" to the Passionist Fathers on the occasion of the dedication of the new Monastery May 1st. W. R. Humphries was the originator, presenting his suggestion to the chamber two weeks ago.

In effect, the proposal will accomplish the following:

1—Place an undetermined number of local men at work.
2—Bring about clearing of properties which otherwise would remain uncleared, further aiding in efforts to give Sierra Madre a spruce look during the Olympiad season.

3—Give assistance to the Passionist Fathers in clearing the property in preparation for the Monastery dedication.

4—Melt certain assets of local merchants which otherwise would probably remain "frozen."

5—Help the mental attitudes of jobless who have had "nothing to do," and have been faced with debts which apparently had no chance of being met under present conditions.

The plan, as voiced by Mr. Humphries is:
"John Doe, the merchant, has Richard Roe on his books for eight dollars. He wants the money (Continued on Page Four)"

Large Crowd Hails Leader Of The O.E.S.

One of the largest crowds in the history of the Masonic Temple was present on Monday evening, when the Sierra Madre Chapter No. 299 of the Order of the Eastern Star was honored with the official visit of the deputy grand matron, Mrs. Edna Mae Bolz of Arcadia.

Preceding the meeting, a dinner, in honor of Mrs. Bolz, was served at 6:30 p.m. Pansies in pastel colors formed the decorative motif with many of the beautiful flowers artistically arranged over the table. Favors, cleverly embodying the same motif, were at each plate.

Mrs. Bolz highly complimented the order for its work, which was exemplified by the officers at the close of the meeting. A lovely corsage of sweet peas was given the honoree from the chapter and a gift of gold and a crown of talismans of roses were bestowed upon the deputy grand matron.

During the presentation of the gifts, Miss Virginia Rees sang "I Love You Truly," and a program of musical selections were given by Miss Rees and Worthy Patron Jack Buchanan. Mrs. Mattie Cuddy recited several selections. Among the out-of-town guests were Junior Past Worthy Patron Paul Jones, of Big Bear Lake, and 16 patrons and matrons of nearby chapters.

Mrs. Blanche Buie, chairman of the committee, was assisted by Mrs. Harriet Buckingham, Mrs. Izzetta Carlson, Mrs. Mattie Cuddy, Mrs. Nettie Finlayson, Mrs. Marie Platte and Mrs. Agness Tye.

April 30 Named As Sierra Madre Day At Ramona Pageant

Announcement was made yesterday by the Ramona Pageant of the 10th annual Ramona Pageant at Hemet that Saturday, April 30th has been designated as "Sierra Madre Day" at the spectacular outdoor play given by a cast of more than 200 characters in the beautiful Ramona Bowl in the hills south of Hemet.

Dates for this famous California drama are Saturday and Sunday afternoons, April 23 and 24, April 30 and May 1 and May 7 and 8, at 3 o'clock.

The Ramona Pageant is a colorful, fast-moving dramatization of the immortal novel, Ramona, by Helen Hunt Jackson, and is produced as a non-profit, community enterprise by the people of Hemet and San Jacinto on the very ground that many of the characters more than half a century ago, Ramona and her ill-fated lover, Alessandro, lived in the San Jacinto Valley and are buried in the little cemetery on the Cahulla Indian reservation south of Hemet.

Leading roles in the play are taken by prominent stars of the stage and screen.

Wherefore, beloved... be diligent that ye may be found of him in peace, without spot, and blameless.—2 Peter iii:14.

The state of mind which is described as meekness, or quietness of spirit, is characterized in a high degree by inward harmony. There is not, as formerly, that inward jarring of thought contending with thought, and conscience asserting rights which it could not maintain.—T. C. Upham.

THE TAX PROBLEM

Municipal and state governments must follow the precedent set by private business and slash expense, throw out inherited imperfections to progress and eliminate waste, if their cost of operation is to be cut. A recent survey shows that the average cost of government in 146 cities rose from \$24 per capita in 1915, to \$56 in 1929.

We cannot have tax reduction so long as government functions are steadily enlarged. We cannot have tax reduction so long as we demand "improvements" costing millions for which we have no real need.

The public alone has the power to bring tax rates down. When it exercises that power, the tax problem will solve itself.

COSTS MONEY TO SPEED

It costs money to speed. Investigations prove that a mile-a-minute clip is from three to four times more expensive than when your speedometer says 40 to 45, according to the National Automobile Club. Checks made at various speeds bring out the following conclusions:

Oil consumption is seven times greater at 55 miles an hour than it is at 30.

Tire wear at 50 is twice as much as at 40.

Gasoline consumption at 55 is one-fourth more than at 30.

No estimate is made of the increased wear and tear on the car at the higher speeds, but of course it is plenty greater.

Hot Lead

VETERANS of all wars will cooperate with the local Legion Post during Memorial Day activities this year. The Memorial Day Committee is working on plans to make this the finest Memorial Day Celebration this community has ever experienced.

A life sized painting of 'Honey' the black sheep of the Legion membership committee in this district, will go to the Post having the lowest percentage of membership to quota. However, at present it would seem that San Marino or Monrovia will receive the painting of 'Honey.'

Comrade Bob Shetler attended another High Jinx last week and was fined a dollar for getting there on time. Bob has been appointed High Jinx chairman for Post 297 to attend all High Jinx activities and report them to the post.

Glendale has lost a Comrade and we're mighty glad to have our old Comrade 'Barnacle' Bill Stinman back with us again. We have no submarines to offer him but will try and amuse him with nite base ball so he will stay with us awhile.

The Post needs chairs. Any kind of chairs will be acceptable. Who has an old chair they don't need?

Legion Auxiliary pot luck supper are going bigger and better. A record crowd is expected at the next one Thursday, May 5th.

Carry On.

AUXILIARY ACTIVITIES

By Dorothy Shetler
WELL, the party after the regular meeting last Thursday night was a wow! The losing side of the membership contest, captained by Lillian Wheeler, were the hostesses. After the 'lemon bowling' stunt, everyone settled down to an uproarious game; whose chief fun lay in various ways of saying 'heh! haw!' Leila Embree and Lovetta Pratt certainly were exceptional in their imitations. Various prizes were won, two of which were unique. Mrs. Wheeler made and presented two Barnacle Trees. They were not only beautiful and odd, but have an Indian superstition that the possessor will have happiness.

The next regular meeting will be held Thursday, April 28th, at 7:30 p.m. at the home of Mrs. Charles Taylor, 330 West Grand View.

At the initiation that took place in the Legion Headquarters, five were taken in the Auxiliary as new members. Candidates were Elizabeth Goddard, Mabel Sutherland (a Gold Star Mother), Lovetta Pratt, Dorothy Shetler and Lucille Sparks.

Another of the Auxiliary's popular Pot Luck Suppers is to be held in the Legion Rooms, May 5th. Just telling you all in plenty of time to reserve this evening. The entire proceeds are for the benefit of local hospitalization.

Mrs. Henry Olsen and her committee are in charge of the affair. Last reminder for the Boy Scout Benefit Food Sale, sponsored by the A.L.A. to be held Saturday, April 23 at 9:30 a.m. at Tom Solury's Grocery Store. Send in your donations early and send in your friends to buy.

Mrs. Roy Pickett and Mrs. Norman Jensen motored to Azusa Monday night to attend the Presidents' meeting. If you need a landscape gardener or an interior decorator, let Ellen or Dorothy know.

SPRING landed right in our lap this year with a hop skip and jump.

Poets have told us where a young man's fancy wanders in Springtime... Spring is the time we forget our past failures in the amateur truck-garden business and its a blessing to the seed sellers that we do.

Spring is the time when every species of bug that ever existed crawls out of the earth—or wherever bugs fancy to park themselves during the winter—and discover and destroy every darned thing that we have planted.

For the third Spring Sierra Madre has blossomed forth with an exhibit of her local artists and should be proud of the fact that 99 per cent of them are academic and trying their darndest to do honest work.

To me the most outstanding part of our spring exhibit goes to the youngsters in our school who, under the capable direction of Miss Lausted, made the five posters advertising their more advanced contemporaries work.

These posters are not in the gallery but in our merchants' windows and where they will be seen by a greater number of people.

It has required a lot of work, not alone by the artists exhibiting, but everyone connected with the movement which has made our gallery possible, to advance as far as we have. One encouraging fact is that more people are attending the opening receptions each month, though a lot more should attend than do. If you don't care for the reception end of our exhibits, slip in and see the pictures every month.

Here's a thought to remember: When you pay your water bill take peek at the pictures in the municipal gallery.

P.S.—Quite a number of out of town people were at the last reception and most of them were disappointed because the Crepe Hanger was not included in this year's exhibit.

Like the Lindberg baby the trail leading to the whereabouts the kidnapped Crepe Hanger is growing warm. It won't be long now.

HOLD SERVICES HERE FOR EDWARD ANDRESEN

Funeral services were held on Tuesday morning at 10 o'clock from the Grant Funeral Parlors for Edward R. Andresen, of 2151 South Los Angeles street, Los Angeles, husband of Mrs. Emma M. Andresen, who has for many years been connected with the J. F. Sedler company. Mrs. Andresen is the sister of Mrs. Sadler.

Mr. Andresen passed away on Saturday evening after an illness of some time. He was born in Norway, 64 years ago and had been a resident of California for the past 44 years.

Dean A. G. H. Bode officiated at the funeral services. Interment was held at Grand View Memorial Park Chapel, Glendale.

SELL PINS TO RAISE OLYMPIC GAMES FUND

Plans to bring every city in Southern California into active participation in the campaign to raise \$30,000 to train and bring American athletes to the Olympic Games in Los Angeles next August were announced yesterday by Orre E. Monnette, treasurer of the American Olympic Finance Committee.

This fund, a small fraction of the \$350,000 which is being raised throughout the United States, must be realized within six weeks.

The money is to come from the sale of small Olympic pins, the only emblem of any kind having the official sanction of the Tenth Olympiad Committee, the California group which is in charge of arranging and staging the Games. Inasmuch as the entire \$350,000 will be spent in Southern California, raising of the \$30,000 fund may be looked upon as an investment in better business conditions. Mr. Monnette pointed out.

DISTRICT OFFICIALS ATTEND SESSIONS OF LOCAL LEGION POST

With guests including several high district American Legion officials, members of the local Legion post held a "rousing" meeting Monday evening at the Legion rooms at the City Hall.

Business of the session was highlighted by the raffling of a baseball glove, eventually acquired by Art Embree, post commander, who does not play ball. Embree auctioned the glove, turning the proceeds over to the Legion's baseball fund. Roy Shetler won it.

Because of a delay over tickets, the legion's raffle of the post Ford, of the Model "T" vintage, has been postponed two weeks.

Guests at the meeting included Rex Strohmeier, of Azusa, district service officer, and First Vice Commander Michaels.

LOCAL BOY'S PLAY AT TEMPLE BETH ISRAEL WASHINGTON EVENT

Temple Beth Israel will be the scene of Sabbath Services commemorating the George Washington Bicentennial, to be conducted by Pasadena Chapter No. 48, Aleph Zadik Aleph, early in May. A highlight of the program will be presentation of a play, "How

Washington Came Back," of which Harold Keltz of this city is co-author. With the scene laid in a newspaper office, Joseph B. Weiss will take the lead as city editor, Joe Shapiro and Emanuel Silberman are other Sierra Madrans who will participate. Sabbath Service will be the same as that given in Pasadena last month. Harold Keltz will officiate.

ITEMS TAKEN FROM THE COPIES OF THE 'SIERRA MADRE VISTA' APRIL 21, 1888—

The Public Library was formally opened last Monday evening, and what has heretofore been a reading room, is now a circulating library. Sierra Madre is justly proud of this institution, with its fine building and handsome grounds—the property of the town and all paid for—and now that it has a good collection of books catalogued and ready for the use of the public, it becomes at once useful and popular. Those who made the selection of books were governed by good judgment and possessed of eminent fitness for the work.

With the Scouts

ON Saturday, April 16th, a detachment of Scouts from Troop 2, worked all day weeding the Monastery grounds in preparation for the dedication of the wonderful new building on May 1st.

They took their grub with them, had lunch and a rest, and then a swim before returning. The Scouts are going to assist in the celebration on dedication day. Sierra Madre may take just pride in the institution which will be a magnet to draw scholars and distinguished people from all over the world as visitors to Sierra Madre.

Troop 2 is organizing a baseball team. Further details will be announced later.

David Wells Palmer, Scribe, Troop No. 2

Officials of the Pasadena-San Gabriel Scout Council are much interested in the large number of Scouts enrolled in the two local troops. In a bulletin sent to scout officials throughout the council, under date of April 18, the following appeared:

"Sierra Madre has 41 registered Scouts and six candidates. There are only 29 twelve-year-olds in Sierra Madre who are not yet Scouts. How about your community?"

Members of local troops are preparing essays which will be entered in the contest being carried on in the district on the subject "How Scouting Can Aid Me in Choosing My Life's Vocation, and Achieving Success in It."

Scout leaders are preparing to attend the council "Scouters" convention in Pasadena May 7, in the new Pasadena Civic Auditorium.

Offer New Plan To Help Unemployed

(Continued from Page One)

and can't get it. Roe wants to pay but can't do it. He's out of work.

"Doe wants to help in this unemployment problem; he'd like to make a contribution of eight dollars a day, but he hasn't got eight dollars he can spare. But there is a way out of the books."

"Doe agrees to close out Roe's account in exchange for two days work. Roe does the two days work. This serves the purpose of Doe's making an eight dollar contribution, and of Roe's working two days, taking the money and paying his eight dollar bill."

"At the same time, we should help at the Monastery. It will mean a big thing to the town, residents as well as merchants. Housing 40 guests, it will serve as a retreat for people of every denomination who desire necessary rest and quiet in the spiritual atmosphere of a religious retreat."

"The Fathers have almost exhausted their funds, now they are personally clearing their grounds for the dedication. It is hard work. It should be done by a crew. Several days would be enough. When that work is done there is plenty more available."

Mr. Humphries' proposal received the approval of the Chamber on Monday night. It appointed an investigating committee consisting of President W. E. Craig, R. C. Copenhaver and C. E. Klunk.

Early interviews with merchants disclosed a number who would be willing to do their share in the project, according to Mr. Copenhaver.

There are a large number of local jobless who would be very willing to do the work, according to Mr. Humphries, as it not only would clear up debts which have been hanging over their heads but would provide them with something to do. The plan would be worked out through a 3-way tie-up between merchants, unemployed, and the local relief committee.

TENNIS COURTS WIN POPULARITY AGAIN

Tennis courts at the city park and the city school have been highly popular since the warm weather arrived, many groups of the younger, and more energetic set, turning out daily to play. Games under the arc lights at night have also been popular.

Among those seen playing recently were Jack Butler, Mary Young, Dud Shaw, Florence Marti, Angeline PerLee, Jane Holland, George Scott, Jazz Thomas, Herbie Munson and Johnny Ropp.

Life And Habits Of Filipinos Told To Missionary Society

Relating her experiences while a teacher at the Mission Training school in Manila, Philippine Islands, Miss Gladys Black on Tuesday addressed a supper gathering of the Woman's Missionary Society of the Congregational Church.

Miss Black exhibited curios which she acquired while in the islands, and brought along costumes in which three of the church's young people appeared. The costumes were those worn by a Filipino mountain girl, a city girl and a Mohamadan boy. Other curios were shown by Mr. and Mrs. E. D. Burbank.

Devotional services were conducted by church young people, with Elizabeth Morgridge as chairman. Mrs. Converse Twy, cross was chairman in charge of evening's activities.

Announcement was made at the meeting of the receipt of the \$100 legacy left the society upon the death in 1930 of Miss Clara Largar, who had attended the Congregational Church for many years.

GAS HOSE IS HELD RESPONSIBLE FOR CANYON PARK FIRE

A gas explosion shortly before midnight last Sunday caused interior damages of more than \$500 to the home of Miss Gladys Boehmer, 581 Alta Vista Drive.

Members of the Volunteer Fire Department spent more than an hour at the site of the fire after receiving the alarm, sent in by R. D. Clift, one of Miss Boehmer's neighbors. Mr. Clift had a hose on the fire before the department arrived.

The blaze was declared to have started in a bedroom, where a gas connection extended through the floor. The gas line consisted of a flexible hose, but there was no floor shutoff, firemen said. A leak finally resulted in the explosion. There was no one in the house at the time.

The firemen ran into grief when the Pierce-Arrow truck "froze" on them as it breasted North Mt. Trail avenue. Investigation disclosed the clutch, of the cone type, had "dried" out. The truck had not been used for a considerable time.

ANOTHER SERIES OF DANCES AT CHURCH

Beginning this Friday evening the enjoyable dances for the young people of the Church of the Ascension and their friends will be resumed after the Lenten intermission. Mr. and Mrs. J. H. Robertson and Mrs. McClelland will act as host and hostess as before.

By Jessie Ward Russell

THE old fashioned perennial border of our grandmother's day has come into its own again in a glorified reincarnation in the modern outdoor living room. Here one finds a perfect setting for these delightful flowers. Masses of delphiniums or larkspurs, feverfew, hardy carnations, foxgloves, lilies and roses all the old favorites and new, combining with annuals and shrubs form the colorful walls that bound the garden room. But the always dependable perennials will predominate.

Nearly all the hardy perennials can easily be grown to full perfection in the garden room of any town or city home. They re-

Fire Flames

By one of the boys

AFTER a hard day's work at the Wistaria grounds on Sunday and a very large meeting on Monday evening, the Wistaria Fete is now over for this year. On Sunday all those who could, were at the place and all the paraphernalia used about the Fennel estate was put away.

Well, if we didn't do anything else, we put a couple of thousand dollars in circulation in Sierra Madre.

It seems that our esteemed First Aid Captain has taken a fancy to the term "Babbarian art" and he with the Simonize Twins, Lovell and Walsworth, attended the Dance given by the Arcadia Fire and Police last Saturday evening.

On Sunday night as Fire Chief Richards and Jim Heasley were having their midnight lunch with hot coffee, the telephone rang and Jim answered it. The call said "A fire near Jim Heasley's house." As Jim manned the big truck, he didn't know whether he was afoot or horseback. All he claims he could see was three kids and a wife enveloped in smoke. Everything seemed to go wrong, the big truck wouldn't start and when he finally got the thing going it stopped, etc.

Chief Richards had a piece of good luck, with what seemed to be a very bad piece of luck. Just recently Mrs. Richards presented him with a valuable wrist watch and when he returned from the fire, he discovered the watch was gone. Bob Babbitt later found it on the walk in front of the house.

Mr. Clift, who lives near the scene of the Sunday night fire, deserves credit for preventing what would have been a very big fire. We are unable to say how he discovered the fire, but we do know that he had things pretty well stopped when the fire trucks and men arrived.

It's a strange thing where these quire very little special care and

once the plants become established they soon develop into quite sizable clumps.

Give the perennial border plenty of sunlight and air, prepare the soil by spading or trenching deep and add fertilizers as ingredients necessary to make it sufficiently rich and in good condition.

There are hundreds of varieties from which to choose, of which the following are a few favorites—Moonshood with Achillea ptarmica, the Pearl, planted nearby for July and August; Alyssum saxatile compactum with its masses of bright yellow flowers makes a good edger; delphiniums, hollyhocks and madonna lilies to be planted near the back of the border; iris and columbines are also old favorites. In fact, a continuous parade of color may be produced for the summer months by carefully selecting perennials so the border includes some for each successive blooming period.

April is the most important month of the year in your garden. Make every one of the remaining days count if your garden is to be a joy to you and your family this summer and fall.

To grow a hedge in a shady position two things are necessary: heavy fertilization, and very severe pruning. Prune hedges early and often to keep the bottom dense. Trim hedges with slightly sloping sides A-shaped, that is, to give the base sunlight and air so necessary to dense leaf growth.

Keep the tall flowers supported with individual stakes, the grass edges clipped, and remove old stalks from the bed.

Leaf-eating insects may now or will be working in the garden. For them a poison spray on the foliage is the thing to use.

We throw the cut flowers out when they wither and fade. Why not replace some of the growing plants which have not done so well?

To prolong the blooming season of sweet peas, pick them every day.

Plant gladiolus bulbs at frequent intervals for continuous bloom.

firemen and townsfolk come from. When you think the town is asleep, and then the siren blows, the streets are almost immediately barricaded with autos and pajamas.

As this is being written, the clock strikes 3 a.m. A mockingbird is singing to his lady love and a tree frog croaks that it will soon be time for the roosters to be crowing and the

ENGLISH STAR COMES TO THE PLAYHOUSE

Winifred Hanley, English stage star, who came to America and created the role of Mrs. Lincoln in John Drinkwater's "Abraham Lincoln," will play a leading role in the forthcoming major spring production at the Pasadena Community Playhouse of "I Love An Actress," romantic comedy by Lasko Fodor, which will feature Sharon Lynn, motion picture actress and cast of 65. The comedy will be presented from April 28 to May 7, following the current production of "Episode," which closes tomorrow.

Make Scenes For 'Family Upstairs'

Players And Builders Prepare
For 3-Act Production
At School April 30

Almost completely surrounded by lumber, sheeting, nails, glue and enthusiasm, Bill Corlett and a crew of scene builders today neared completion of stage sets for use in "The Family Upstairs," 3-act play to be given in the school auditorium April 30 by the Community Players.

The scene builders have been at work for more than a week and have nearly completed the 16 pieces of scenery required for the production. Included in the crew are R. O. Caukin, Wesley Perry and Blake Manning.

All three acts of the play take place on one set, the interior of a tenement house in New York. Several of the pieces being built at the Player's Workshop at 19 Kersting Court are more than 35 feet long.

Members of the cast are now reviewing their parts and are holding daily rehearsals at the Playshop at the Woman's Club House. Two dress rehearsals will be held next Wednesday and Friday preceding the performance.

School children and members of the Players next week will begin selling coupons for the performance. These, upon presentation at Hartman's Drug Store, will be exchanged for reserved seat tickets.

The "Family Upstairs" has been remarkably well cast, and is a vehicle offering the players great opportunity for turning in a good

characterization. Jim Hawks, an experienced trouper, turns out a finished performance as the father. The complete cast is as follows:

Joe Heller, the father—James N. Hawks; Emma Heller, the mother—Mrs. James N. Hawks; Louise Heller, the elder sister—Catherine McClelland; Willie Heller, the brother—James Kelleher; Annabelle, the baby sister—Pamela Gaze; Charles Grant—Craig McLaughlin; Mrs. Grant, his mother—Mrs. R. J. Walsworth; Herbert, his brother—Rudolph Hartman Jr.; Miss Calahan—Mrs. Al S. Myers.

Present Revue At Ladies' Night Meet Of The Kiwanis Club

Sierra Madre's own "Follies" organization, "The Demi Tasse Revue," will make another local appearance Tuesday night when they headline the "Ladies Night" entertainment of the Kiwanis Club.

Directed by Cricket Caukin, well known for her dancing and dramatic ability, the revue consists of a group of the Sierra Madre younger set. There is a chorus consisting of leading members of the Junior League of the Woman's Club. The revue first made its bow several months ago at an entertainment in honor of visiting representatives of Junior Leagues.

Because of practices for Tuesday's performance, the regular weekly basketball games between girls teams have been postponed. A large majority of the casa-batters are included in the revue's roster of chorines and principals.

Cricket Caukin originated the revue, presenting it at a Woman's Club program. Among those appearing in it are Miss Caukin, Anna Green, daughter of former City Clerk Elmer A. Green; Selwyn Myers, son of City Business Manager Al S. Myers; Frank de Beaulieu, Angeline Per Leo, Irene Middough, Joanne Reynolds, Patricia Selk, Jane Holland, Cynthia Hull and Ruth Klunk.

LOCAL STORE TAKES PRIZE
IN CLEANUP COMPETITION
Judged as having the best arranged and most attractively appearing store in the Pomona district, the West Central Avenue Safeway Store has been awarded first prize in the "Safeway Cleanup Week" sponsored by the giant chain John Spelstra is the store manager.

MORE DOLLAR DAYS ON SOUTHERN PACIFIC

Cent-a-mile train rides will again be placed on Southern Pacific's "dollar day" bargain counter for a four-day sale, April 28 to May 1, inclusive, it was announced here today by G. H. Weatherby, district passenger agent for the company.

Round trips have been authorized under the plan between all points on the railroad's lines in six western states. With the final return limit fixed for May 10, it will be possible for persons to make long trips, it was pointed out, or to avail themselves of the unusual opportunity to enjoy May Day excursions.

UNSOLD ARTICLES TO BE GIVEN RED CROSS

All articles not sold at the Cooked Food and Rummage Sale of the Woman's Society of the

Congregational Church, which will be held next Saturday, April 30, in the Old City Hall building, will be turned over to the local Red Cross. The cooked food will be in charge of Mrs. L. M. Rice, Mrs. Hortense Hill, Mrs. E. E. Bacon and Mrs. Freda Mayer. The rummage sale will be taken care of by Mrs. W. S. Hull, Mrs. N. W. Tarr, Mrs. Sylvia Merrill, Mrs. M. J. Thompson, Miss Harriette Grant, Mrs. C. W. Jones and Mrs. F. H. Hartman.

HOLD SERVICES FOR GERALD W. CLIFFORD

Funeral services for Gerald W. Clifford, who passed away last Wednesday at his home, 375 West Grand View avenue, were held on Saturday afternoon at the Grant Funeral Parlor, 201 West Central avenue. Dean A. G. H. Bode officiated at the services and Mrs. G. B. Morgridge and Miss Elizabeth Morgridge furnished the music. Mr. Clifford is survived by his wife, Mrs. Muriel C. Clifford. He was born in Holland and was a former resident of Ojai, Calif., where he was a prominent horticulturist. He came to Sierra Madre last January to regain his health.

LEAP YEAR DANCE TO BE HELD AT ST. RITA'S

A "Leap Year" dance will be given next Friday evening at 8 o'clock by the young people of St. Rita's church in St. Rita's Auditorium. A lovely door prize will be given. Misses Thelma Jaeger, and Mary Hoevel, Frank Bryan and James Kelleher will be hosts and hostesses.
